

Sharpe Bros talks local business with State Cabinet

Representing the Sharpe Bros company, Joint Managing Director Michael Sharpe met with State Government Ministers and other local business leaders during a meeting aimed at identifying and advancing economic opportunities on the Central Coast.

The Central Coast Regional Cabinet Business Forum at Mingara followed a Cabinet meeting in Gosford, giving the region's business community an opportunity to discuss a wide range of issues with the NSW Government.

Sharpe Bros. is a leader in the roads industry, developing and providing viable solutions and technologies to improve the quality and safety of Local and State Government road networks.

Sharpe Bros is a multi-award winning company with a heritage of community service. The people of Sharpe Bros. are committed to making a positive and meaningful contribution to the Community. Sharpe Bros. continues to provide support to Community groups through donations, partnerships, volunteering and community sponsorships.
